

## *Isaiah 43 Bible Study*

### **Background**

-Pastor Danette preached on Isaiah 43 today. She had a few central points.

-We live in the world sometimes gripped with fear.

-However, she suggested that there were 3 things we could gather from the reading that could give us confidence:

1. We Belong to God
2. God Is With Us
3. We Are Precious To God

-As Pastor Danette argues, Isaiah gives us this picture because it depicts God (powerful and mighty), making a choice to preserve God's people

### **Open For Discussion**

We will read the entirety of Isaiah 43. We will then open the floor to ask questions and explore what Isaiah said.

Notes:

### **Possible Questions for Discussion**

-Verses 16 and 17 mention something. To what event are these verses referring? How does this help the reader/hearer have confidence in God? At what time were these verses written? How would they have applied to that circumstance?

-For the last few weeks, we have been talking about God as creator of the entire Universe. Specifically, we have been talking about how huge (immense) the universe is, and how small we are. How do you make sense of the size of the universe, our small place in it, and the fact that God values us?

-The word "holy" is used of God many times in this verse. What does "holy" mean to you? How do you think Isaiah understands God's holiness?
